**FOR IMMEDIATE RELEASE**

## **Signature Control Systems Celebrates One Year Anniversary of Turf Division**

**IRVINE, CA (September 22, 2009)** — Signature Control Systems Inc., a leading manufacturer of intelligent irrigation equipment, marked the first anniversary of the acquisition of Nelson Turf & the first anniversary of the Signature Turf Division, very important milestones, on September 19, 2009.

“One year ago, we set out to achieve a goal that many felt was impossible and some said unbelievable - combining two proud companies, each with a rich heritage - to deliver unprecedented value to all our clients, partners, dealers and end-users around the globe,” said Brian J. Smith, Signature’s CEO.

“Today, from our manufacturing facilities in the US, Signature now delivers more products, to more customers, than ever before in its history,” says Smith. “I couldn't be more proud of the Turf Division in its first year, and with its contribution to Signature Control Systems – the Corporation.”

Signature Control Systems traces its roots all the way back to 1907, via several acquisitions, including the proud history of Nelson Turf which dates its own origins to 1911. The current company structure and ownership has been in place since 2000.
